Coaches for Season 2012

It is a requirement of the Football Federation of Australia (FFA) that ALL coaches register on line via the My Football Club web site.

To achieve this there are some guidelines elsewhere on the web page to aid you in doing so.

Firstly you must obtain a FFA number if you do not have one already. Then go to the Coach Registration link and follow the process.

Secondly it is **IMPERITIVE** that you also sign a Working With Children Form. See the link below ; complete the form , print it off and then sign and bring it in to the club.

These are compulsory requirements as set down by the FFA and with out them we cannot register you as a coach.

Thanks Guys
