

Marayong Sports Soccer Club Inc

Coaches / Managers

A requirement of being a Coach / Manager of a team competing in the Marayong Sports Summer Comp is the completing and submission of a Working With Children Check Form.

This can be done on line by going to <https://check.kids.nsw.gov.au> click on the link at the right, Volunteer / Student worker – Declaration (bottom one) .

Fill this in , print it off and attach to the Coach / Manager registration

Acceptance of Coach / Manager registration is dependant on completion of the Declaration, as with winter it is there for the Protection of our kids (it is law).

Thank You
